Understanding Target Audience			
Everything that is designed has a specific 'Target Audience' in mind. Answer the questions below to demonstrate your understanding.			
What does the term 'Target Audience' mean?			
Look at these web address and	a give an examp	ie of the target	audience (the first one is done
for you) Website		Target Audience	
		People who want to buy things	
www.ebay.com		reopie who war	TI TO Duy Things
www.bbc.co.uk/school/gcsebitesize			
www.skysports.com			
www.pizzahut.co.uk/delivery			
Think about your School's website. It could be used by students, teachers and parents. Complete table below giving examples of information each target audience may want to know.			
Students	Teachers		Parents

Target Audience
